## MEMORANDUM

TO: CDC Executive Committee

FROM: Mary Keating, Director   
Community Services

DATE: March 2, 2010

RE: **1. Early Notification of Full CDC Meeting**  
**2. Cancellation of the March 9, 2010, CDC Executive Meeting**

---

The Community Development Commission Executive Committee Meeting scheduled for Tuesday, March 9, 2010, has been canceled.

However, there will be a **FULL CDC** and **HOME Advisory Group meeting** on Tuesday, **March 23, 2010**. It is **very important** that we have quorum because some of the agenda items for the CDC will include the filling of vacancies, officer elections and a request for policy changes. Possible HAG items requested are time extension, special subordination and increase in funding.
